Terms

1. Role and Nature of Engagement

The Volunteer agrees to provide services to Marra Community Hub Incorporated on a voluntary, unpaid basis. The Volunteer is not an employee, contractor or agent of the Organisation, and nothing in this Agreement creates an employment relationship or entitlement to wages, leave or other employment benefits. Either party may end the arrangement at any time.

2. Duties and Expectations

The Volunteer agrees to carry out agreed tasks to the best of their ability, to act in the best interests of Marra Community Hub Incorporated and the community it serves, to follow reasonable directions from the Organisation, and to give reasonable notice if unable to attend or continue.

3. Code of Conduct

The Volunteer agrees to treat all people with respect and without discrimination, harassment or bullying; to act honestly, safely and lawfully; to represent Marra Community Hub Incorporated appropriately; and to avoid conduct that could damage the Organisation's reputation or standing as a registered charity.

4. Working with Children

Where the Volunteer's role involves contact with children or young people, the Volunteer must hold a current Victorian Working with Children Check (WWCC) and provide it to the Organisation before commencing such activities. The Volunteer agrees to comply with the Organisation's child-safe practices and the Victorian Child Safe Standards at all times.

5. Confidentiality and Privacy

In the course of volunteering the Volunteer may access confidential information, including personal data of community members, donors, staff and other volunteers; financial, operational and administrative records; internal communications; and any information held in the Organisation's systems. The Volunteer agrees to keep all such information strictly confidential during and after their involvement; to access and use it only as required to perform their role; not to copy, remove, disclose or retain it without authorisation; and to handle all personal information in accordance with the Privacy Act 1988 (Cth) and the Australian Privacy Principles. Confidential information remains the property of Marra Community Hub Incorporated and must be returned or destroyed on request.

6. Systems, Accounts and Security

The Volunteer may be granted access to the Organisation's systems and accounts, including but not limited to Microsoft 365 (email, files and administration), GitHub repositories, the website and hosting, and event and workshop tools. The Volunteer agrees to: use these systems only for authorised Organisation purposes; comply with all security requirements, including strong passwords and multi-factor authentication; not share, transfer or allow others to use their accounts or credentials; not install unauthorised software or expose systems to undue risk; promptly report any suspected security incident, breach or lost device; and immediately return, and cease using, all access, credentials, data and Organisation property when their role ends or on request. Administrative

or elevated access must be used strictly within the scope authorised by the Organisation.

7. Intellectual Property

The Volunteer agrees that all intellectual property created by the Volunteer in the course of their volunteering for Marra Community Hub Incorporated — including software code, repositories, designs, written and workshop content, artwork, documentation and other materials — is owned by Marra Community Hub Incorporated. The Volunteer assigns all such rights to the Organisation and agrees to do anything reasonably necessary to give effect to this. Where the Organisation elects to release such work under an open-source or open licence, the Volunteer consents to that release.

8. Events, Workshops and Public Activities

When delivering or assisting at workshops, events or other public activities, the Volunteer agrees to follow the Organisation's instructions and safety requirements, to respect the privacy and consent of participants (including in relation to photography and recordings), and to act appropriately when representing Marra Community Hub Incorporated in public.

9. Volunteer Warranties and Fitness for Role

The Volunteer warrants that they are medically and physically fit to perform the duties of their role; that they will disclose to the Organisation any medical condition, injury, allergy or other matter that may affect their ability to volunteer safely or that the Organisation should reasonably be aware of; that they hold any qualifications, checks or rights (including the right to volunteer or work in Australia) that their role requires; and that the information they have provided is true and complete. The Volunteer agrees to keep the Organisation informed if any of these matters change.

10. Acknowledgement of Risk

The Volunteer acknowledges that volunteering, including attendance at workshops, events and other activities, may involve inherent risks, and that they participate voluntarily and of their own choice. The Volunteer agrees to take reasonable care for their own health and safety, to follow all safety directions, and to ask if they are unsure about any task.

11. Health, Safety and Insurance

Marra Community Hub Incorporated will take reasonable steps to provide a safe environment and inform the Volunteer of relevant risks. The Volunteer agrees to follow all health and safety directions, to report hazards, incidents and injuries promptly, and to take reasonable care for their own safety and that of others. The Organisation holds public liability insurance covering its authorised activities. This insurance applies only to activities authorised by and carried out on behalf of the Organisation, and does not extend to acts outside the Volunteer's authorised role.

12. Incident and Injury Reporting

The Volunteer agrees to report to the Organisation, as soon as reasonably practicable, any injury, illness, accident, near-miss, hazard, property damage, data or security incident, or other matter of concern arising in connection with their volunteering. Prompt reporting allows the Organisation to respond appropriately and is a condition of this Agreement.

13. Conflict of Interest

The Volunteer agrees to disclose to the Organisation any actual, potential or perceived conflict of interest — including any personal, financial or other interest that could compromise, or appear to compromise, their role or the interests of Marra Community Hub Incorporated — as soon as they become aware of it, and to follow any reasonable direction the Organisation gives to manage it.

14. Public Comment and Social Media

The Volunteer agrees not to speak to the media, make public statements, or post on social media on behalf of, or in the name of, Marra Community Hub Incorporated without prior authorisation, and not to use the Organisation's name, logo, accounts or materials except as authorised for their role. Any personal social media use must not imply they are speaking for the Organisation.

15. Use of Volunteer's Image

The Volunteer consents to Marra Community Hub Incorporated taking photographs, video or audio that may include the Volunteer during authorised activities, and to the Organisation using these for promotional, reporting, grant-acquittal and community purposes. The Volunteer may withdraw this consent in writing at any time, after which the Organisation will not make new use of such material.

16. Limitation of Liability

To the maximum extent permitted by law, Marra Community Hub Incorporated is not responsible or liable for any loss, damage, injury, claim or liability arising from: (a) the Volunteer's own acts, omissions, negligence or personal loss; or (b) any act or omission of the Volunteer that is outside, or in breach of, their authorised duties or this Agreement, or that is unlawful. The Volunteer is responsible for their own conduct and agrees not to hold the Organisation responsible for matters of the kind described above. Nothing in this clause excludes any liability that cannot be excluded by law.

17. Indemnity

To the extent permitted by law, the Volunteer indemnifies Marra Community Hub Incorporated against any loss, damage, cost, expense or claim suffered or incurred by the Organisation that arises from the Volunteer's unlawful conduct, wilful misconduct, gross negligence, or material breach of this Agreement. This clause does not apply to acts or omissions done honestly and reasonably within the proper scope of the Volunteer's authorised duties.

18. Reimbursement of Expenses

Marra Community Hub Incorporated may reimburse reasonable out-of-pocket expenses that are agreed and authorised in advance, on production of receipts. The Volunteer is not otherwise entitled to any payment.

19. Ending the Arrangement

This is a voluntary arrangement that may be ended by either party at any time, with or without notice. On ending, the Volunteer agrees to return any Organisation property, materials and access credentials, and confidentiality, intellectual property, security and indemnity obligations continue.

20. Variation and Updates

Marra Community Hub Incorporated may update or amend this Agreement from time to time, for example to reflect changes in its operations, systems, policies or legal requirements. The Organisation will notify the Volunteer in writing (including by email) of any updated version, which will apply from the date of notice without requiring the Volunteer to sign again. If the Volunteer does not accept a change, they may raise it with the Organisation or choose to end their volunteering. Continuing to volunteer after notice is taken as acceptance of the updated Agreement.

21. Governing Law

This Agreement is governed by the laws of the State of Victoria, Australia, and the parties submit to the jurisdiction of the courts of that State.
